New Banking Facility Being Organized

A new National Bank may well be opening up here in Grayling. Local sources revealed today that an application has been filed with the Comptroller of Currency Office in Chicago for permission to open a banking facility on 2121 James St. on the I-75 Business Loop.

Dedicated to be a "locally-oriented bank", investors announced that the facility could open up as early as this fall.

Pending final approval on its Charter Application, the bank will be known as Northern National Bank.

Sensing a need for additional banking facilities here in Grayling, the organizing group submitted an application of intent on May 8th. Approval of the application will permit the organization to move ahead.

According to petitioners, stock would be made available for purchase shortly after Charter approval and up to as many of 1000 stockholders is anticipated.

REA Approves \$2,304,000 Loan

WASHINGTON — The Rural Electrification Administration has approved a \$2,304,000 loan for the Top O'Michigan Rural Electric Company, Congressman Philip E. Ruppe, announced.

The low interest loan has been authorized so the utility can expand service in its thirteen county distribution area. In the Eleventh District Top O'Michigan serves customers in Charlevoix, Cheboygan, Emmet, Montmorency, Oscoda, Otsego, Antrim and Crawford counties.

Ruppe said 1,550 additional customers will receive service under the expansion program. In addition, 137 miles of new distribution line will be constructed as well as other system improvements.

The REA loan will finance only a portion of the improvements with Top O'Michigan obtaining supplemental financing from the National Rural Utilities Cooperative Finance Corporation.

Sheriff Reports Quiet Weekend

County Sheriff Curt Haas reported a relatively quiet weekend for deputies. Two breaking and entering complaints were investigated, according to Haas, along with a number of minor traffic complaints. Haas reported that warm temperatures are bringing out motorcycle buffs and offers the following suggestions:

— Trail riders should be particularly careful to exercise noise control when operating bikes in residential areas and subdivisions when heading for trail areas.

— Helmets are required by law.

Animal Control Officer Doug Wallman also reported that area residents should be particularly concerned about their pets. Inoculation against distemper is recommended since a number of animals recently picked up have been inflicted by the disease.

County-Twp. Petition Deadline June 6th

Last date for partisan candidates to file nominating petitions for the County Board of Commissioners, and all Township offices for the primary election to be held on August 8th is 4:00 p.m., Tuesday, June 6th.

Those seeking seats on the Board of Commissioners are to file their petition with the County Clerk, while township hopefuls are to file with their respective clerks.

Also, any petitions to place a local question on the primary ballot must be filed with the County Clerk at this time.

City Needs Help in Watering Trees

During the past week, Grayling City Workers have planted some 100 Maple trees throughout the town. City Manager Jerry Morford asks that residents with trees planted between curb and sidewalk on city property water them every 7 to 10 days, depending on rain conditions, and that watering last from 1/2 to one hour.

Boat Inspections Available

The Crawford County Marine Division will be available to the residents of Crawford County for boat inspections upon request.

If you desire an inspection, please call the Crawford County Sheriff Department at 348-6341 and we will be more than happy to set up an appointment to come to your residence for the inspection. Also, any questions you have regarding boating safety or a particular problem with a body of water in the county, please feel free to contact us.

Wishing you a happy and safe boating season.

Roast Beef Dinner at Lovells

The Lovells Volunteer Fire Department will be sponsoring a Roast Beef dinner on Sunday, May 28th from 5 to 9, at the Lovells Township Hall. Adults, \$3.50 and Children, \$2.50.

All proceeds will go to improving the volunteer fire department.

Chicken Bar-B-Que, May 28-29

On May 28th & 29th (Sunday and Monday) the Moose Lodge will be putting on a Chicken Bar-B-Que, with potato salad and baked beans. Everyone is welcome to eat or take out a meal. We will be located in Miller's parking lot.

Memorial Services honoring our Country's war-dead will be held this coming Monday, May 29th, with ceremonies beginning at 10 a.m. at the cemetery. Parade units will assemble at 9:45 a.m. with the Reverend Robert Barnett, Calvary Baptist Church, delivering the testimonial address.

Parade members, under the direction of Parade Marshal Art Thayer, include the American Legion Post #106, the Grayling High School Band, National Guard Units, Boy and Girl Scout Groups, Little Leaguers and others. The parade route will follow Plum St. from the cemetery to Michigan Ave., and will continue on the Court House downtown, where, at the base of our eternal flame, Grayling Mayor Derek McEvers will preside. Parade units will disband at the Legion Hall.

The annual Memorial Day observance honors those who unselfishly gave their lives on behalf of our country — let us not forget what Memorial Day is all about — and let us all graciously honor them in their absence.

WARNING

Inactive Duty Training will be conducted by units of Michigan Army and Air National Guard during the period 3-4 May 1978.

The various ranges located at Camp Grayling will be utilized during this period. The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during the period 24-27, 30-31 May and 1-3 June 1978.

These ranges will be closed during the above dates and all persons are warned to stay out of these areas.

Poll Favors Millage Renewal on June 12

by Joe Schrader

A Community Attitude Survey questionnaire was recently circulated to about 200 families within the Crawford AuSable School District by the C.A.R.E. Committee (Committee Acting for Responsible Education). Results of the survey were presented to the Board of Education at its most recent meeting by Wayne Casler, CARE Committee member.

The Board recently announced that only a millage renewal will be sought this year to operate our schools, an issue which will be voted on by the residents of Crawford County on June 12th. Passage of the renewal will result in basically a continuation of the educational programs currently underway within the Crawford - AuSable School System. Denial of the millage would mean that school doors will close at some point in time for lack of funding.

The CARE survey was designed to determine public sentiment concerning the Grayling School System's operation and revealed some interesting results. Over the next few issues of the Avalanche, we'll comment on how local folks feel about how things are going on within the schools - based on the survey results - perhaps to help you decide how to cast your ballot come June 12th.

The questionnaire was hand-delivered to about 200 County residents - not at random - but based on a rather scientific basis so that every segment of the community was allowed to respond. As we see it, here are a few of the most significant responses:

On the question: "What do you believe is the most serious problem faced by the local school district?", 58 of 174 responses indicated "Finance". Other answers ranged from apathy of voters, students, collecting 19 responses, to the age of the Middle School which garnered one vote. So it's obvious, if the poll is representative, that most people feel the

State Police in Operation CARE

A nationwide accident reduction program will occur during the Memorial Day weekend when over forty states join together to improve the safety of interstate travel by motor vehicles.

C.A.R.E. in operation CARE represents the project's goal - Combined Accident Reduction Effort.

The State Law Enforcement agencies of these states, assisted by their local law enforcement officials, are cooperating in a special enforcement program for the holiday which will provide expanded patrol of the interstate highway system.

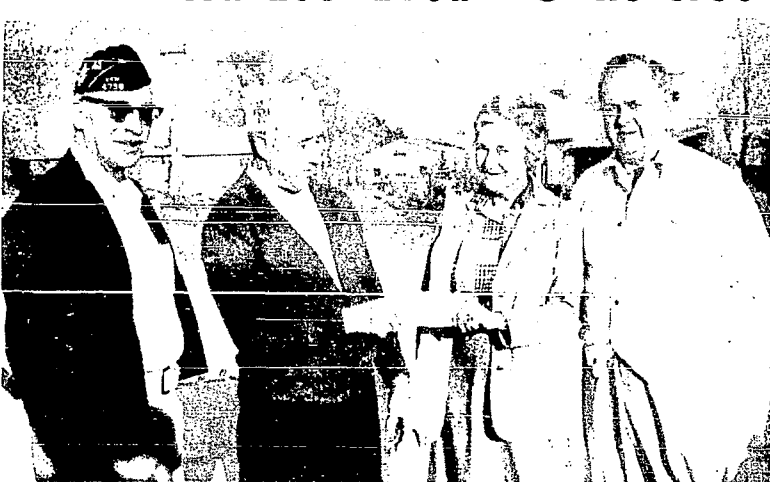

The primary purpose of this unique program is to reduce highway traffic accidents through encouragement, citizen voluntary compliance with the national 55 MPH speed limit and other hazardous traffic law violations.

The states will commit hundreds of patrol cars and aircraft to the program with the heaviest patrol effort occurring during peak hours of travel on Friday and Monday. Along with speeding violations, troopers will be alert to violations indicating alcohol may be involved in the driving action - improper passing, improper lane changes and following too closely.

Through a federal grant from the governors office of Highway Safety Planning, Michigan will be increasing their holiday patrol force by over 800 State Police patrol shifts during the four days of the holiday period.

V.F.W. Realizes 'Dream Come True'

by Joe Schrader

It's going to be called Carl W. Borchers Post #3736. Thanks to Clyde R. and Mary Gretchen Borchers who recently donated a plot of land in honor of their son, Carl, who gave his life in an experimental military aircraft crash in Vietnam. The Borchers are pictured here giving the deed to the property to Bill Johns, V.F.W. Post Commander (second from left) while Perry Wells (left) Post Quartermaster, looks on. Construction is now underway on the facility on Mikado St., and the V.F.W. group hopes that the grand opening will occur sometime over the next 30 days, in a building that will be moved to the site from Van's lumber structure they recently purchased.

End of Year Activities at GHS

AWARDS ASSEMBLY

The annual Awards Assembly will be held the morning of Thursday, May 25 at 10:00 a.m. in the Joseph Stripe Auditorium of Grayling High School. The entire student body will be present for this annual event honoring outstanding academic and athletic accomplishments. Major awards to be presented are the Roy O. Milnes award presented annually by the Grayling High School Alumni Association to the outstanding citizen of the Senior class, awards to the Valedictorian, Salutatorian and Honor Seniors, the Viking award for the outstanding male and female athlete for the Senior class, the John Phillips Sousa award for the outstanding member of the Band, and Perfect Attendance awards. The public is invited to attend this event.

BACCALAUREATE

Baccalaureate services will begin at 7:00 p.m. the evening of Wednesday, May 31 in the Joseph Stripe Auditorium of Grayling High School. Reverend Otis Smith of the Grayling

Free Methodist Church will be the main speaker and the invocation and benediction will be given by Reverend Steve Bach of the Grayling Assembly of God. The Grayling High School choir will perform the 150th Psalm Baccalaureate has been moved from its traditional Sunday evening time slot to Wednesday evening because of the long Memorial Day weekend. Baccalaureate is open to the general public and it is suggested that spectators attempt to arrive by 6:45 so that all can be seated in time.

CLASS NIGHT

Class Night is the time when the Senior class reflects upon their High School careers and pokes a little fun at each other. Class Night will begin at 8:00 p.m. the evening of Thursday, June 1 in the Joseph Stripe Auditorium of Grayling High School. Highlights of the evening will be the class president's farewell address and the passing of the Senior Class gavel to the president of the Class of 1979, the reading of the Class History, the

presentation of the Class Prophecy and the reading of the Last Will and Testament of members of the Senior class. The public is invited to this event.

COMMENCEMENT

The Commencement exercises for the Class of 1978 will begin at 8:00 p.m. in the Gymnasium of Grayling High School on the evening of Friday, June 2. Speakers for the evening will be the Valedictorian of the Class of 1978, Patricia Duley and the Salutatorian of the Class of 1978, Elizabeth Jackson. Diplomas will be presented to the graduates by Superintendent of Schools, Mr. Fraser Dean and the president of the Crawford AuSable School District Board of Education, Mr. James Duley. The Grayling High School Concert Band will perform a prelude and the processional and recessional and the Grayling High School Choir will perform "The Impossible Dream". Spectators should attempt to arrive by 7:45 to insure that all will be seated by the processional starting time of 8:00.

Moose News

We had a good turn-out for our enrollment Saturday, the 20th. We enrolled eight new members.

We would like to thank the Women's Auxiliary for putting on a fine chicken dinner before the enrollment and also the ritual team for doing a fine job putting on the enrollment.

The next officer's meeting will be Wednesday, May 31st, at 8 p.m. Regular meeting nights have been changed from Fridays to Wednesdays. The next regular meeting will be Wednesday, June 7th at 8 p.m.

There will be a Chicken Bar-B-Que this weekend in Miller's parking lot, starting on Sunday at 10 a.m. till 2, and Monday starting at 12 Noon till 2. We could use all the help we can get. Everyone is invited.

Remember, the next District Meeting will be June 10th in Cadillac.

CALENDAR OF EVENTS

May 28 & 29: Chicken Bar-B-Que in Miller's parking lot. Sponsored by the Moose Lodge. Sunday 12 'till 2, Monday 10 'till 2.

Maggie Ruddy Earns Black Belt

On May 15, 1978, four days after her 16th birthday, Maggie Ruddy became Grayling's first female Black Belt. Candidates for the Black Belt in Judo must be at least 16 years old, making her one of the youngest people ever to receive this distinction in the United States.

Maggie has been practicing Judo two nights a week for six years and has spent the last 15 months in intensive preparation for her examination, which involved the demonstration of 46 throws, chokes, armbars and pins from the Japanese terminology. In addition, she submitted an impressive competitive record, representing the Gray-Lee Judo Club and Grayling in tournaments throughout Michigan and at the National Level.

Assisting Miss Ruddy with her examination was Bruce Crouterfield - third degree brown belt. Among the many supporters attending the promotion ceremony were Maggie's Mother and Mrs. Premo of Saginaw. Jack Alef and Bill Kraus represented the Grayling State Bank who has provided the support to make Judo possible in Grayling. Mr. and Mrs. (Ann and Jay) Doty were also present. Mrs. Ann Doty was Maggie's Gym teacher. The radio (WGRY) station was represented by Mrs. Vivan Nichols.

The Gray-Lee Judo Club is one of the strongest in Michigan, serving as a central meeting place for many northern Michigan clubs. Monthly clinics conducted by high ranking instructors from Detroit area draw instructors and students from as far away as Houghton in the U.P.

The Gray-Lee Judo Club located at 606 Ionia St. is open Monday and Thursday from 6:30 to 10:00 p.m. for those who wish to do weight training, general conditioning or Judo, and Wednesday at 7:00 for a woman's conditioning class. Saunas and weight lifting are also available.

The Gray-Lee Judo Club wishes to thank each and everyone who is and has supported us in any way. Shown above center, Maggie Ruddy, rear from left, Paul Hill, Pete Funck and Dewain Hall.

State Police

[Continued from page 1]

The national program was developed following the successful completion by the Michigan and Indiana State Police of a pilot test during the July 4th and Labor Day holidays of 1977. Veteran troopers reported the smoothest traffic flow in history for their efforts. The Michigan highway death toll for the 1977 Labor Day period was the lowest since 1961 when all motor vehicle accidents showed a substantial decrease.

Operation CARE Patrols will be concentrated along I-94, I-96, I-75, and US 23 in Michigan. In addition, the Michigan State Police will patrol numerous county, state and federal highways. Traffic accident data will be exchanged by the departments and a nationwide composite will be made available to the news media on May 30, 1978.

Regional operation CARE kick off meetings will be held during the week of May 22 through May 26. These meetings will involve newspaper, radio, and television personnel along with law enforcement officials from the contiguous states. Tentative plans call for these news media meetings to be held in the New Buffalo, Coldwater, Monroe, Ironwood, Menominee and Sault St. Marie areas.

According to Captain Paul Ruge of the Michigan State Police, who is the National Operation CARE Chairman, "Education of the driving public about this massive traffic safety program will play an important part in its success". Numerous in-state television and radio stations will be invited to publicize the program and other public information media such as newspapers and highway billboards, will also be used.

Local C.B. Radio Clubs will be operating coffee stops at the various expressway rest areas throughout the state. These groups, at their own expense, will be providing coffee for motorists, and distributing public information items such as litter bags, bumper stickers, and state police balloons to promote the Operation CARE Program.

This extra effort to make the summer holidays safer for the motorists, according to Captain Ruge, is one way that state and local law enforcement officials can show that they really do CARE about your safety.

Mercy Hospital News

The following were among those admitted to the hospital during the past week: Raymond Demio, Charles Reader, Dolores Stillwagon, Ruth Irwin, William Sampson, Kathleen Ray and Margaret Balch, all of Grayling; and Julie Sawade of Frederic. Those discharged included: Carl McPherson, Debra Mowrey and baby, Carmen Mancini and Ruth Irwin, all of Grayling.

A son, Nicholas Dale, was born to Mr. and Mrs. Michael Stillwagon of Grayling on May 19 weighing 7 lbs. 5 ozs.

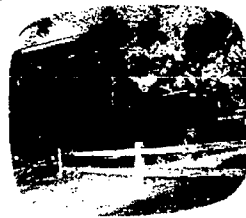

Mr. and Mrs. Donald Schluher of Roscommon are the parents of a son, Ryan Richard, on May 20. The little fellow weighed in at 6 lbs. 2 ozs.

THANK YOU

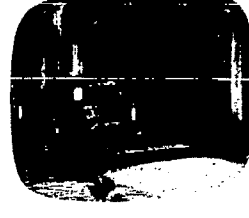

We wish to thank all the churches who participated on May 21, 1978 in Senior Citizen Church Day. The Senior Citizens really appreciated the special attention.

GRAYLING, MICHIGAN — THURSDAY, MAY 25, 1978

From Our Corner....

All is quiet on the home front this week, and we have been trying to think up some scuddebut to possibly get a rise out of one of our readers, and it has been to no avail ... We didn't even get one call, pro or con, from last week's corner ... which at this point, Monday night, leaves us cold in what to bring forth to our faithfuls.

When you read this, the front page tells the story of the outcome of the first recall election ever held in Crawford County. Whether this is a one shot deal, or a signal of what is to come, only time will tell.

Enough of the past ... we now look to the future ... on June 12th, the electors will be asked to go to the polls one more time, this one, as Tuesday's, is a very important decision for citizens to make.

Not only will the voters decide on two out of a field of six candidates seeking seats on the Board of Education, the most important issue, do we want the school to open, or not?

Will the millage renewal pass, or not?

Each of us has until June 12th to ponder the question, is the school district going to provide quality education for our youths, or are we going to force the administration into cutting out the necessities of extra curricular activities that in the long run keep many students interested in their education ... which in the long run isn't this what school, and our future are all about?

An idle thought ... I wish I had this finished, the old gal just came in from her Monday night golfing, and at this point I think I know what everyone goofed ...

There should be a way to explain ... one can not concentrate and at the same time listen to who won the golf ball in the second raffle, and she had already won two ...

As for this week ... it's all, come see us next week, that good old advertising, of which we survive on, is crowding our corner this week, and besides, we can't take any more of grandma's yacking.

Have a nice weekend ... and by all means, pause and give thanks to those who gave their lives in the battles to keep our nation free ...

"Step-Mother" and "Wonderful Eggs" are the titles of the beautiful hand-painted colored films at the Temple Theatre tonight.

S. B. Brott is the champion raiser Speltz in this county. He had over 300 bushels last year and will double it this. If more of our farmers would sow it, they would not make a mistake.

By a new law, free lunches are barred from saloons. Nothing eatable can be served except crackers and pretzels: salt herring are on the prohibition list. The new law goes into effect Sept. 1st.

We note the following business changes in the village this week. Silas Body has taken possession of the South Side grocery, which he bought from W. Love. He is putting in a first class stock and we predict success in his enterprises.

Simon Svrakis succeeds N. P. Mickelson as landlord in the Manistee House and J. YaBeef succeeds McMahon in the McKay House. We hear that Mickelsons will go to Nellsville, the new town of Mickelson & Sons Lumber Co., while McMahon remains in Grayling.

Mr. and Mrs. Gilbert Vallad and two children, Russell and Sarah, are visiting their friends and relatives in Hardgrove for a few days.

The Bible Speaks From Calvary Baptist Church

The Last Bowl Judgments Revelation 16:12-16

The sixth bowl judgment prepares the way for the last battle of Armageddon. The river Euphrates will be dried up so the Oriental armies of the East may march over land to Israel. Verse 12. These "tidings out of the east" may well be the same as described in Daniel 11:40-45. The Oriental nations will be only a part of all nations which will send armies against Israel in the last days Zechariah 14:1,2.

The satanic trinity is seen as the force behind the universal gathering of all nations. "And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet" Verse 13. (Go back to your notes on Revelation chapters 12 and 13 for more detail about the satanic trinity.)

Just as the identity of these false spirits is clear, so also is their work: "For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty." Verse 14. Many people today think only God works miracles. This is why they can be easily fooled. The spirits of demons will perform more and more miracles in the

end days. See 2 Thessalonians 2:3-12. Many people follow miracles rather than the Bible.

When Satan gets these armies gathered, Jesus Christ will return and defeat the combined forces of Satan. Those who know Christ in that day are warned to watch for His return and avoid the deceptions of Satan. "Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame." Verse 15. The place of this gathering is spelled out in verse 16: "And he gathered them together into a place called in the Hebrew tongue Armageddon." The Mount of Megiddo is adjacent to the plain of Megiddo. This will be the center of the military activity. Armageddon is the Greek word corresponding to the Hebrew word Megiddo.

This is one battle we may choose which side we will fight on, but to be assured of being on the winning side, accept Jesus Christ today as Lord and Savior

Millage

[Continued from page 1]

question of how we finance our system of education is problematical, at least amongst the majority. Most residents favor dislodgement of school financing from property taxes alone. Most of those surveyed preferred that a 100% income tax be used to finance our school system and the next best measure recommended was a 50-50 split between a combination property tax and income tax.

In a positive response to the question, "If no change in school funding is immediately forthcoming, would you vote in favor of maintaining the school's current level of funding by voting in favor of a renewal millage?" 55% of those responding answered "Yes". While this is not an overwhelming vote of confidence, at least it's a step in the right direction.

We can't at this point ignore some negative responses revealed in the poll, at the obvious risk of being accused of prejudice. A wide majority indicated they felt the school's system of discipline leaves a lot to be desired. Over 60% of those responding to that question indicated they felt the disciplinary policy should be "Stricter". Most of the rest had undivided comments. It's our understanding that even prior to the survey our schools have been reviewed, and in fact have amended in some cases, their discipline codes.

This is the first in a series of articles designed to advise the public about the issue of our school millage and the results of this most recent survey. As usual, people tend to go down "the middle of the road" in a survey of this nature, unless otherwise inclined, but a meaningful comment made was that "they are for our children first - in everything." This made in answer to the question about what is particularly good about the local school system.

Lovells News

by Ruth Caid

Mr. and Mrs. Leo Cavanaugh attended the graduation of their son, Mike, in Epworth, Iowa, on Saturday, May 13, 1978. He was graduated from Divine Word College. Also in attendance were his two sisters, Leann Emery of Verman and Janice Cavanaugh of Royal Oak. Congratulations, Mike!

We see our State Street lady with the green thumb. Mrs. Joe Gildner, has her petunias in and pansies in blossom in the front of her home. We always enjoy her beautiful flowers and neatly kept home.

We welcome news about any other homes in the area that have outstanding displays. To those of you out there who have inquired, our own front terrace is mostly creeping phlox, some what damaged this year by fire trucks from a vehicle that visited our front yard!

Mr. and Mrs. Gordon Eickorn, Mr. and Mrs. Nyal Flegel and daughter, Sylvia and Mrs. Pauline Greer of Ithaca were Sunday guests of Mrs. Everett Williams.

Mrs. Carl Doroh has been in Marquette for two weeks visiting her daughter and husband, Mr. and Mrs. Gary Townsend, and son Scott. Carolyn and Scott returned home Saturday evening with her mother to spend the weekend. They will be returning home Tuesday morning. Mrs. May Fields, Mrs. Doron's daughter, from St. Johns, will be picking up her mother on Tuesday, and taking her to Lansing where she will be spending about a week visiting another daughter, Maxine Barnhart, and Carl in Ann Arbor.

Par for the Course

by Fay Bovee

Wednesday morning weather was absolutely perfect for the first week of play in the auxiliary league. The starting time has been advanced to 9 o'clock and later, making it a little drier for play in the mornings. Lunch is a little later but who cares on lazy summer days, anyway?

A newcomer, Dottie Brady tied with Ruth Nielson for low gross in Flight A with a 49. Of the seven ladies who played in Flight A, six of them tied for low net of 39: Shirley Bendig, Dottie Brady, Evelyn McIntosh, Ruth Nielson, Mary Pettengill, and Pearl Tucker. We won't say who missed out! Ruth Nielson put in 14 putts.

In Flight B, another newcomer, Martha Nowak had low gross with a 51 and also low net for 39. Six of the "B" ladies tied for low putts of 18: Thelma Bateman, another newcomer, Donna Denton, Martha Nowak, June Schwarz, Joyce Sorenson, and Faith Stripe.

In Flight C, low gross was won by our favorite raffle lady, Doris Harland, with a 57 and she also took low net with a 40. Jean Drupp dropped in 16 putts.

We missed all of you and your delicious lunch of sloppy joes, fruit salad and relishes served by the executive committee. See you in three weeks!

The clean-up of the course continues and many trees were moved on Sunday from one part of the course to the area between 6 and 9 in order to provide more protection when the new number six green is used.

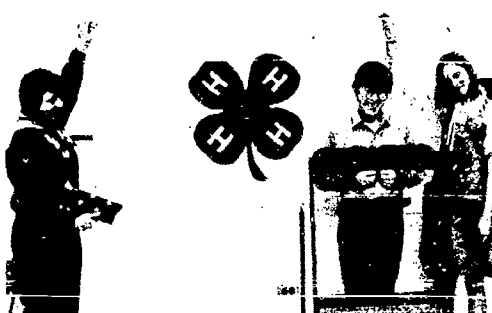

Thirty-six women played in the Monday Night League for their opening on May 22, 1978. Prizes were awarded for the following: low putts, Anne Emerson; high putts, Judy Mesack; chip-ins, Marty Nowak on number 4 and Caroline Glaza on number 3; low game, Anne Emerson; and Gloria Nielson; and high game, Judy Mesack.

There will be no play on Memorial Day. The next day of play will be Monday evening, June 5 with tee times from 4 o'clock to 6 o'clock and four-homes teeing off every ten minutes.

The ladies are being offered a steak dinner on June 5 which will include steak, salad and rolls.

Any interested ladies may still join the league and remember, your dues are due no later than June 5. President, Kathy Parkinson.

4-H Craftsmanship Displayed

by Joe Schrader

4-H Achievement Day here in Grayling was held on Saturday, May 13th at the Elementary School. 4-Hers throughout the County had the opportunity to display their craftsmanship during which time judging took place. In the accompanying photo, Rita Fay (left) 4-H Program Assistant for Crawford and Roscommon Counties helps hold up the club's symbolic flag along with Sherill Fairbrother (right), while Kenny Howden displays his work of art. Sherill was awarded a sewing pin for the best sewing project under Donna Weaver, leader, with John Miller, Pam Miller and Penny Howden also receiving blue ribbons. David DeCrick walked off with top prize in the Survival Category under leader Maria Raths, with other blue ribbons won by Brian L'Anse and Sean DeCrick. Monica Kozicki, Seizing, Crochet and Embroidery Leader announced that Maria Perez, Michelle Barber, Becky Solominen and Margueta Perez topped blue ribbons with Michelle winning top honors. Carol Boone, in charge of talent sale competition, reported that blue ribbons were won by Ron Bancroft, Chris Raths, Eric Linkhart, Talana Dixon, Mary and Jim Boone, Jend Baxter and Jeff Cozue, with Jim Boone winning an achievement pin for the best talent sale project.

Sean DeCrick, Deanna Hubbard and Cheryl Hulek were awarded blue ribbons in Peggy Kriol's Arts and Crafts Group, with Sean winning the pin for the best art project. Dorothy Zill, Decorator/Painting Leader, announced that Duane White, Renee Papendick, Penny Anderson, Paul Zill and Deanna White won blue ribbons, with Duane copping top honors.

"We think it's important for our youngsters to have an activity of this type available to them," commented Carol Boone after the event, "our objective is to avoid problems later on." Interest in 4-H is escalating, according to Mrs. Boone who said that a waiting list now exists for 4-H candidates.

Bride to Be

Mrs. Jacqueline Lapsy of Grayling and Mr. and Mrs. Khalil Mar of Arara, Israel are pleased to announce the engagement of their children, Lisa Johanna and Sahal Khalil. Wedding plans are indefinite at this time.

Jim Steere is spending the month of May with his parents, Mr. and Mrs. Jim Steere. He has been attending Northern Michigan University at Marquette and will leave Grayling for Lincoln, Nebraska, about the first of June. He has been awarded an assistantship at the University of Nebraska for the school year 1978-79.

Steven Funck of Lake Orion arrived in Grayling last week and with his parents, Mr. and Mrs. Edwin Funck, drove to Houghton where he received his M.B.A. degree in ceremonies at Michigan Tech on Saturday morning. Congratulations Steve.

Mr. and Mrs. Otis Smith and their daughter, Marilyn, visited Spring Arbor College where they attended Patricia Smith's graduation on Sunday afternoon. She received her B.A. degree in Education. Following graduation, Patricia returned home for the summer.

Mike Myhera spent a few days at his home here, the Dr. Vern Blahos, before returning to Northwood Institute, Midland Campus, for summer school.

Mr. and Mrs. Grant Byce spent two weeks in Florida in the Gainesville area. They went on business and also did some sightseeing.

Helen Catlin, of Toledo, arrived Saturday to spend until Tuesday with Mrs. Helen Clippert.

Mr. and Mrs. Bruce Smith and Mr. and Mrs. Dick DuBois spent last week at Drummond Island where they did some fishing. The fish were really biting and they came home with a cooler full of fish for delicious eating. Dennis and Leigh Theaker have returned to Grayling for the summer from college at CMU. They are spending the summer with his parents and are employed at the Grayling Country Club.

OBITUARY

Services Held For Mrs. Mathilda Kaufman

Mrs. Mathilda O. Kaufman, 77, of South Branch Township passed away Tuesday, May 16, at Mercy Hospital. She was born in Chicago, Illinois April 10, 1901 and had been a resident of this area since 1961. She had previously worked as a typist for the American Bar Association.

Mrs. Kaufman was a member of American Cyrene Chapter #454 O. E. S. and Michelson Memorial United Methodist Church. She is survived by her husband, Fred; one son, Juhl of Hemet, California; two daughters, Jane McChesney of Wilkerson and Betty Metzler of Inkster; twelve grandchildren; four great-grandchildren and one brother, Morton Juhl of Sun City, Arizona.

Funeral services were held Thursday at 3:30 p.m. at Steuermann Funeral Home in Roscommon with Rev. George Spencer officiating. Interment was in Roscommon Cemetery. An O.E.S. Memorial Service was held Wednesday evening at the Funeral Home.

Friday Services For Homer Stilwell, 75

Homer F. Stilwell, 75, of Harrison passed away at the Clare Osteopathic Hospital on Wednesday, May 17, 1978. He was born in Grayling November 8, 1902, the son of the late Edward and Maybelle (VanAmberg) Stilwell. He had resided in Harrison for the past 16 years, moving there from the Grand Rapids area. He was employed by the City of Harrison as supervisor of the landfill.

He was united in marriage to Edith L. Bates in Grayling on Oct. 3, 1921. She survives, as do three sons, Clarence of Sanford, David of Pierston and John of Grand Rapids; three daughters, Mrs. Orval (Ruth) Manges of Clare, Mrs. David (Helen) Sloan of Midland and Mrs. Ivan (Mary) Smith of Coleman; two sisters, Mrs. Ethel Conrod of Brighton and Mrs. Eula Hollingsworth of Warren; 24 grandchildren; 42 great-grandchildren and four great-great-grandchildren. One son, Edward, preceded him in death in 1945.

Funeral services were held on Friday, May 19, from the Coker Funeral Home, Inc. of Harrison with Pastor Raymond Hammond officiating. Interment was in Elmwood Cemetery, Grayling.

Former Resident Succumbs

Mrs. Martha (Sorenson) Nurenberg, 63, of Port Sanilac, passed away at her home on Friday, May 12, 1978. She was born in Grayling in 1915.

Funeral services were held Monday at the Carmon Funeral home, with interment at Port Sanilac.

Mrs. Nurenberg is survived by her husband, Vernon Nurenberg; four sons, Peter, of Raleigh, North Carolina; Paul of Bay City; Vernon Jr. and Edgar, of Port Sanilac; also one sister, Mrs. Earl Hodgson, of Port Huron.

Final Rites For Hanna Langenberg

Hanna Langenberg, 89, of Grayling died Sunday, May 14, 1978 at Mercy Hospital. She was born in Germany April 19, 1889 and had been a resident of Grayling for many years. She was a member of Mt. Hope Lutheran Church.

She is survived by a niece, Erika Schroeder, and a nephew, Kurt Dammer, both in Germany; also, another niece in the Russian Zone. Her husband, Otto, preceded her in death. The body was cremated.

Band Presents Final Concert

This Thursday evening will be a night for beginnings, and a night for conclusions. The 1977-78 5th grade band will present its first concert ever, and eight seniors will be appearing in their final performance, some after eight years of service to Grayling Bands. This concert also represents the final local concert for band director Rick Townsend.

Children, and the young at heart, should find the evening especially entertaining with several 5th and 6th grade soloists, as well as the ever popular performance of "Tubby the Tuba" by the Senior Band. Band music enthusiasts of all kinds should be stirred by the bands performance of John Philip Sousa's "Stars & Stripes Forever", which will be directed by Junior High Band Director, Leroy Christian, who has actually witnessed Sousa directing the famous march.

An entertaining and varied evening is promised as the John Philip Sousa Award for the outstanding senior in the band, and the Most Improved Player Award will be presented.

See you at 7:30 p.m. this Thursday in the Joseph Stripe Auditorium. Admission is a \$1.00 donation; 50c for students, with 6th grade and under admitted free.

AN AUSABLE RIVER Flap Jack Breakfast was held last Wednesday morning for County businessmen and women, compliments of the Crawford County Commission on Aging. The event was well-attended, according to Director Lora Gould, and was conducted for the loyal support on behalf of senior citizens displayed by business groups. Bernie and Pat Fowler, along with Evelyn Gardiner, volunteered their time and cooking "expertise".

Crawford County, "An Enchanted Evening"

Senior Citizens will end their Senior Citizen National Honor Month with a Dinner-Dance at Auman's House of Catering on May 31st, beginning with a social hour at 6:00 p.m. Dinner at 6:45 consisting of chicken, ham, meatballs, baked beans, potato salad, 5 salads, relishes, rolls and butter, dessert and coffee. Following dinner the presentation of the 1978 "Favorite Senior Citizen Award" and dancing to the music of Patti and Mike til midnight. All this for only \$7.50 a person or \$14.00 a couple.

Friday, May 26th is the final day to buy your tickets. We must guarantee the reservations by Friday.

The theme this year is "An Enchanted Evening" and will be beautifully decorated as only Genovieve and the craft department can do.

Don't miss this real special party. Everyone is invited to come, however, tickets must be purchased by the 26th (no tickets sold at the door).

Senior Citizens for social activities, are those 55 and over and we urge you all to come. Bring your younger friends and relatives, too. You will all have a good time, we promise it.

Pick up your ticket at the Center or call 348-9314 for reservations. Lora Gould

TO PRESENT SPIRITUAL MUSICAL—"Greater is He", a musical praise by Lanny Wolf, will be presented at the Grayling High School Auditorium on Friday, May 26, at 7:30 p.m. by the "Free Spirit" a group of ten christian musicians and their puppets. Also appearing in the presentation will be "The Teens for Christ Singers" of Flint, a 90 voice teen choir. The "Free Spirit" is a group of college students who have interrupted their studies for a year to represent Jesus Christ in a full time ministry. They have been heard around the world, on radio, TV and in concert.

Also featured will be the "Sunshine", which is a group of young people within the "Teens for Christ Singers". No tickets are needed for the performance, but come early for the best seats.

Vike Netters In State Finals

by Joe Schrader

Grayling's #1 seed, Tom Kaiser, triumphed, 4-6, 6-1, 7-5 in the final round in a tough match while Rocky Tobin was defeated, 3-6, 3-6. The Viking #2 Double Team of Tim Krey - Dave Mansfield came out on top, 6-1, 6-1. Jerry Weiss and Baba Hoffman also came out victorious in doubles play, 3-6, 6-3, 6-4. Mark Sloan and Trent Bigler advanced to the semi final round but lost there.

Grayling's second - place finish in the Regionals permits all team members to travel on to the finals in Kalamazoo. Coach Mills was extremely pleased with his team's performance in Midland. They've earned the right to make the trip to the finals.

THANK YOU

I would like to express my sincere thanks to my family and friends for their gifts and presence on the happy day of my graduation and especially to my mother for my ring and her extra love, patience and understanding these last two years. Thanks, Monie and Joe for making it possible for everyone to enjoy the festivities in the evening.

K of C - Lions to Sponsor "Beer Tent"

A new (and very big) event will be added to the Milltown Festival this year. The Grayling Lions Club and the local Knights of Columbus Council 1982 have joined forces in a "Beer Tent" venture that will be one of the highlights of the 1978 Milltown festivities.

The tent, to be erected behind Chuck Fick's Standard Oil bulk plant on M72 West, will be a tremendous 60 ft. by 180 ft. in size (50% larger than the average city of Grayling Lot). Fick is donating the use of the property, and has expended a considerable effort in preparing the site.

The "Beer Tent" will feature draft beer, pop, snacks, and dancing - all that is needed for a time of fun and friendship. The "Polka Masters" band from Gaylord will be performing for your dancing pleasure. And attempts are now being made to obtain a second band also.

Hours of operation will be Thursday, Friday and Saturday, July 27 - 29, 1978, with 12-5p.m. free admission, and 6p.m. - 2a.m. admission just \$1 per person.

"Grand Knight" Phil Duncley and "King Lion" Bob Prause have their respective clubs hard at work preparing for the gala event. Howard Lehti is project chairman for the Lions, while Joe Kozicki and Ed Martello head the K. of C. crew.

Special Renal Disease Coverage

Editor's Note: Reprinted as a public service by Blue Cross and Blue Shield of Michigan, with permission of Blue Cross and Blue Shield of Indiana.

(8th in a Series)

There is one special group of Medicare recipients with permanent kidney failure — whose lives depend on kidney dialysis or kidney transplants.

This is an expensive long-term medical situation requiring use of sophisticated kidney dialysis machines and the expert knowledge of renal specialists.

Medicare eligibility is restricted to three groups of people: (1) persons over the age of 65; (2) persons under 65 who have been disabled for a minimum of 24 consecutive months; (3) persons under 65 who have worked long enough to gain Social Security credits, or their spouses or dependents.

For all purposes, almost any person with permanent kidney failure is eligible for Medicare benefits in this circumstance.

Medicare coverage in renal disability starts on the first day of the third month after the patient has begun maintenance dialysis or the first of the month before patients are scheduled to enter the hospital for a transplant.

Because of the special details in coverage of this medical problem, we are not going to try to explain all of the intricacies. However, there are some very important aspects of Medicare protection that must be remembered. They are:

1. To be eligible to receive Medicare payments, the me-

dical facilities you use MUST be specifically approved to provide maintenance dialysis or kidney transplant surgery. They must meet special health, safety and professional standards, regardless of whether or not they are participating institutions in other Medicare areas. Your physician can tell you whether or not a facility is approved.

2. Payments for renal disease treatments are always made to the facility. Payment for physicians' services may be either on the assignment basis or itemized bills. However, Medicare B will pay only 80 percent of dialysis charges, you are responsible for 20 percent of these charges.

3. Medicare Part B also will assist you in paying for self-dialysis, the training for self-dialysis and even the supplies and machinery that is needed for self-treatment.

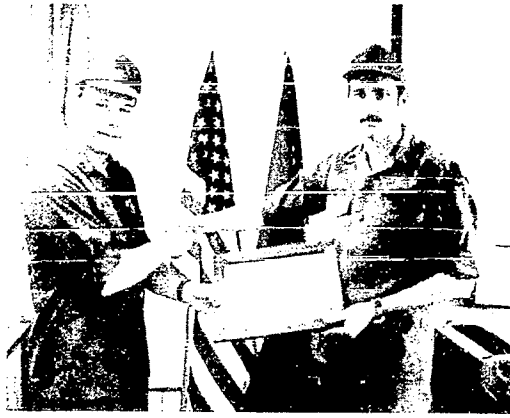

4. In case of a kidney transplant operation, Medicare not only will pay for your stay but will pay all necessary hospital and medical services for the kidney donor.

5. If there is no kidney donor available, Part A Medicare will pay for the costs of obtaining a suitable kidney for transplant and the kidney registration fee.

6. Medicare Part B (medical) will pay for 80 percent of your surgeon's approved allowance (provided your deductible has been paid), including surgical costs for your donor during your inpatient stay. This includes the surgical procedure, post-operative care and follow-up.

There are, however, some things that Medicare cannot pay for in connection with dialysis and transplant services. They include alcohol and gauze for home use, services of an aide for home use, services of an aide for home dialysis, inpatient hospital or skilled nursing facility costs when their use is for maintenance dialysis, lodging when an outpatient dialysis facility is not near your home and ordinary costs to and from dialysis.

There are many other special provisions of this renal disease protection. If you are faced with this specific long-term problem, you should check with your Social Security Administration office or the nearest Blue Cross and Blue Shield branch office for the special literature on this subject. Sweet Adelines Activities

Mid-Mitten Chapter met Wednesday, May 18th, at the St. Elizabeth Episcopal Church Parish Hall, our meeting place for the summer months. Jan Lorion led the rehearsal in the absence of our director. Time was spent working on show tunes for our upcoming annual show.

Later, the group had a round table type discussion, led by President Jean Hess, on competition weekend, our feelings on the competition, how we felt and what we feel we need to work on. Each member commented and it proved interesting to hear the comments of new members attending for the first time. Everyone agreed we know what we want to strive for and that it was a truly fun weekend.

We have been invited to sing at the Grayling High School on Sunday afternoon, May 21st, for a benefit show. Barring unforeseen circumstances, our chorus plans to sing.

Marine Corps Graduate

Marine Second Lieutenant Robert D. Gilbert, son of Mr. and Mrs. Donald G. Gilbert of Route 1, Box 338, Frederic, was graduated from The Basic School.

The Basic School is located at the Marine Corps Development and Education Command in Quantico, Va. It is designed to prepare newly-commissioned officers for assignment to the Fleet Marine Force and emphasizes the duties and responsibilities of a rifle platoon commander.

The training included instruction on land navigation, marksmanship, tactics, military law, personnel administration, Marine Corps history and traditions, communications and the techniques of military instruction. During the 26-week course, leadership by example and teamwork were stressed and the students participated in a demanding physical conditioning program.

A 1975 graduate of Florida Bible College, Hollywood, with a Bachelor of Arts degree, he joined the Marine Corps in August 1976.

APPRECIATION

The Aviation Chapter at Kirtland Community College would like to extend their appreciation to the people and merchants of Grayling who contributed to their successful Dawn Patrol, held at Grayling's McNamara Airport on May 7th.

A special thanks to Mike Heltinger, Mrs. Rose Pariskie, Norm Lesinski, Walt Nowak and the members of the ASSERT team.

Attend the Church of Your Choice

Looking To The Future

The future belongs to those who are prepared. More and more, ours is becoming a competitive society. Our young people realize that they must be well equipped to meet tomorrow's social and economic demands.

Education is vastly important, yet it will not meet every need. Many of the social and economic pressures can be met adequately only if one is equipped with spiritual stamina and stability. Something more is required than a diploma signifying academic learning.

The Church is dedicated to the task of strengthening us spiritually. Through the opportunities of worship and study in your local church you can be better prepared to meet the future. Why not attend this Sunday?

I see by the papers ...

Nixon's Memoirs, Michigan motto,
Wayne County's red ink

Richard Milliman

I see by the papers that former President Nixon's book, "RN: The Memoirs of Richard Nixon," is not selling so hot. It's no wonder, especially with the almost \$20 price tag.

As one columnist noted, there seem to be almost as many versions of what happened at Watergate as there are former insiders writing books. "Memoirs" apparently does not clarify much about Watergate, either.

Some glimpses of the non-Watergate political Nixon emerging at least from the review of the book are very interesting. Perhaps the most revealing to me was the one quote by Nixon on what the review calls "the Nixon temper in the crucible of politics." Wrote the former President:

"In politics, most people are your friends only as long as you can do something for them or something to them."

That revealing philosophy tells me all I need to know about Watergate or any other Nixon political adventure.

I see by the papers that we have now finished working for the government this year, and can now start working for ourselves.

Along about May 6, we passed over the threshold. It takes that long for the average American — whoever and/or whatever that might be — to earn enough money to pay his taxes, according to the Tax Foundation, Inc., a non-profit research and education group in Washington. That's two days longer than last year, which means taxes as a bite on our income are rising.

Looking at it another way, the Tax Foundation reports, in an 8-hour day, it would take two hours and 45 minutes to pay our taxes — about one hour for state-local taxes, and the rest for federal taxes.

I see by the papers that a Michigan legislator wants to change the state motto. Rep. Charles Varnum of Michigan's Upper Peninsula thinks the motto is wrong. The motto is: "If you seek a pleasant peninsula, look about you." Varnum thinks the "peninsula" should be plural, because Michigan is composed of two peninsulas.

Hogwash. You can only be in one

place at a time, and — no matter in which peninsula you're located — if you seek a pleasant peninsula, all you have to do is look about you; you'll either be in the pleasant Upper Peninsula, or the pleasant Lower Peninsula.

Varnum's measure is a waste of money and a waste of time. The present motto is not only geographically accurate, it's also grammatically correct.

I see by the papers that the Wayne County Board of Commissioners is faced with a red budget this year. Michigan's largest county is looking at a \$9 \$12 million deficit by fiscal year's end.

"We're in trouble," moaned one county official. "Someone is going to have to say (to county departments asking for money), 'You've got a beautiful project, but we don't have enough money'..."

That's good advice, but tough to follow.

However, government will survive, whether on the county, state or federal level. Somehow, I don't figure a deficit in Wayne County government is any surprise. The matter is in the hand of the Commissioners' Financial Crisis Committee. Any board which keeps a Financial Crisis Committee certainly is expecting something along the line.

I see by the papers that President Carter, meeting with a group of Democratic Congressmen, advised them to seek re-election as political independents — just as Mr. Carter ran for the White House. Noting the President's wavering poll popularity, one Congressman noted "there are no coattails from the President to us or from us to the President."

That may or may not be true, but I think all elected public officials would like to think so. For example, Cong. Dale Kildee of Michigan summed it up: "Most of us will be running on our own. Most of us got elected on our own."

That's what they all think. Quick, now: when was the last time you heard any public official acknowledge that he or she was elected on any basis other than individual merit. They just don't think that way.

Golnick - Reed Exchange Vows

Theresa Golnick and Randy Reed, both of Grayling, exchanged marriage vows on Saturday, May 13, 1978 at 3 o'clock p.m.

Father Thomas Neis officiated at the double-ring ceremony at St. Mary's Catholic Church, Grayling. Shannon McNamara was bridesmaid, with Patricia Duley as maid of honor. Best man was Arthur J. Seng, "Navy My Love," and "Time in a Bottle," "Farther Away," "Fellow Men," and "Wedding March."

The bride is the daughter of Mr. and Mrs. Harold Golnick, of Grayling, and the groom is the son of Mrs. Mary Harbison and the late Keith Reed, also of Grayling.

The bride, who was given in marriage by her father, wore an elegant, long-sleeved, A-line gown with a full train and matching veil. Her hair was styled in a short, wavy bob. She carried a bouquet of white roses and lilies. The groom wore a dark suit and a white shirt with a red tie. He carried a small boutonniere.

John Mitchell, brother of the bride, was master of ceremonies.

Sharon Golnick, another sister of the bride, was bridesmaid. She wore a light blue, short-sleeved, A-line gown with a full train and matching veil. Her hair was styled in a short, wavy bob. She carried a bouquet of white roses and lilies. The groom wore a dark suit and a white shirt with a red tie. He carried a small boutonniere.

For her given name, the bride chose a white, high-collared, long-sleeved gown with a full train and matching veil. Her hair was styled in a short, wavy bob. She carried a bouquet of white roses and lilies. The groom wore a dark suit and a white shirt with a red tie. He carried a small boutonniere.

A reception was held at the Officers' Club at Camp Grayling. The bride's table was decorated with a centerpiece of yellow and white roses, white lilies, and yellow, orange, and red candles. The groom's table was decorated with a centerpiece of white roses and lilies.

The bride is a graduate of Grayling High School. The groom attended Grayling High and Kirtland Community College.

Lori A. Wieber Receives Degree

Lori A. Wieber, daughter of Mr. and Mrs. Richard Wieber of 201 North Park Drive, Grayling, is a candidate for a bachelor of science degree in industrial technology.

She is a 1973 graduate of Grayling High School, Grayling.

Miss Wieber was active in the Society of Manufacturing Engineers. She has also received associate degrees in mechanical engineering technology and drafting and design technology from Lake Superior State College.

Following graduation, she plans to vacation before beginning employment.

Air Force Graduate

RANTOUL, Ill. — An official at Chanute AFB, Ill., has announced the graduation of Airman Rob Roy Ockerman from the U.S. Air Force's aircraft ground equipment repairman course conducted by the Air Training Command.

Airman Ockerman, son of Mr. and Mrs. Jack L. Ockerman of 106 N. Lansing, Owosso, Mich., is now trained to repair generators, gas turbines and hydraulic pumping equipment, and will serve at Langley AFB, Va. Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The airman is a 1976 graduate of Grayling High School. His wife, Debbie, is the daughter of Mr. and Mrs. Joseph I. Dedafior of Rt. 3, Grayling.

District Court

The following appeared before Judge Francis L. Walsh in the 83rd District Court last week:

Gerald Pangel, 35, of Grayling, demanded a preliminary examination on the charge of carrying a concealed weapon. The 12-day period was waived and a \$4,000 cash/surety bond was set. Pangel was arrested by the Sheriff's Department on May 10 for the alleged offense.

Stephen J. Moon, 20, of Grayling, demanded a preliminary examination on one count of manufacture, possession or delivery with intent, and one count of violation of controlled substance act — second offense. The 12-day period was waived and personal bond set at \$5,000. Moon was arrested on a felony complaint on February 23 for the alleged offense.

Have the same energy bill in winter and summer.

I'm a Customer Service Representative at a Consumers Power payment counter. And since I see heating bills everyday, I know how they go up and down like Michigan's temperatures.

But you don't have to wait from one month to the next to find out what your bill is going to be.

With our Equal Monthly Payment Plan, you can have the same bill in winter and summer. Here's how it works. We'll average your yearly bill. Then divide it into 12 equal payments. Once a year your account will be balanced for over or under payment.

The Equal Monthly Payment Plan won't save you money, but it will help you in planning your budget. Call Consumers Power Company and ask for the Equal Monthly Payment Plan. It sure works well for me.

"TEN THOUSAND WORKING PEOPLE
BRINGING ENERGY TO YOU"

Spring Time is Insect Time

by Willard Bosserman
County Extension Director

Everyone welcomes the warmer temperatures of spring and the flowers that bloom. But with spring comes the mosquitoes, ticks, and other caterpillars.

In spite of these pests, most of us feel spring is worth it. To us, renewed life on life and to us the new flowers and trees that bloom above the old dried leaves.

One of the first insects to make its appearance is the Taster's Choice Caterpillar (Mamestra americana). The eggs mass, surveys, indicated another banner year ahead for the caterpillar. Remember last year?

There is probably very little you can do about them in nearby open fields, owned by someone else. But, for those few wild cherry trees and other fruit trees on your property you can do something about them. Don't burn them. Burn them out causes too many side fires.

If you have a pressure sprayer handy, mix up some insecticide like Sevin, Diazinon or Malathion. Spray this on the entire tree. The test caterpillars come out on the limbs at night and feed on the leaves. They will be killed by the insecticide.

If you just have a few tents, you can simply destroy the tent with a stick or by hand.

Salt Damage to Trees ... Most of us associate salt damage with highway or sidewalk salting in winter, and these sources can indeed cause serious problems. However, a new source of salts has now come to our attention — home water softeners. Within the last few weeks, several samples of salt, the effluent from water softeners, people should beware that high concentrations of any kind of salts can be harmful to plant life and water softener drainage fields should not be built where tree roots will have easy access.

A regular meeting of the Board of Crawford County Road Commissioners held in their office in Grayling, Chairman Millikin presiding. Members present: Commissioners LeRoy Millikin, Ervin E. Richter, and Secretary Lorna Bernard. Absent: Grover Cason.

The minutes of the last regular meeting were read. A motion was made by Comm. Richter, and seconded by Comm. Millikin that the minutes be approved as read. All voted in favor, motion carried.

Voucher No. 331 covering Payroll #10 in the amount of \$17,491.57 and Vouchers No. 332 to 387 in the amount of \$8,172.39 were presented for approval. A motion was made by Comm. Richter, supported by Comm. Millikin to approve all vouchers, with the exception of Voucher 387 for \$410.88 to be held for future payment.

Norm Feldhauser, Superintendent, appeared before the Board. A discussion was held on the progress of Wakeley Bridge Road. A complaint was received regarding some patching needed on road by Pine Air Motel, in which, Norm stated that he would take care of it. It was also discussed as to whether trol graders could be used on grading false shoulders of the County Roads, to which Norm replied that it would create too much sand in the road.

A discussion was held on the condition of the old Block Garage. It appears to be spreading apart and in need of repair. It was instructed by the Board that this building is to be repaired before Fall.

There was a discussion held as to the condition of the transmission on a truck. Norm was instructed by the Board to have the transmission replaced.

A complaint was received by Johnny Leime as to trucks going on private property—This is to be checked on by Norm Feldhauser and reported to Commission.

Larry Mattis, Crawford County Commissioner appeared before the Board.

The meeting was adjourned for two hours to excuse Mr. Millikin for a personal leave. The meeting reconvened, and Bonnie Carry, from C. Minner Associated appeared before the Board and discussed the Union contract in a closed session.

There being no further business, a motion was made and supported to adjourn. All voted in favor, motion carried. Meeting adjourned.

Applying for a S. S. Number

Everyone, regardless of age or place of birth, must now submit evidence of age, identity, and U.S. citizenship or lawful admission status when applying for a social security number. Dale Averill, social security district manager in Traverse City said today.

These procedures are intended to help protect the applicant's social security record, assure that it is complete and accurate, and to prevent anyone else from misusing or abusing the person's social security number, Averill said.

In addition, a person 18 or over who is applying for a number for the first time, must apply in person.

The best evidence of a person's age and U.S. citizenship is a birth certificate, Averill said. This should be submitted if possible. But, if it is not available, other documentary evidence can be used.

Evidence of identity should

include documentation which shows the person's picture, signature, date of birth or age, or other identifying information.

Applicants now born in the U.S. should submit evidence of their U.S. citizenship or their immigration documents showing they are lawfully admitted to the U.S.

All documents submitted as evidence are subject to verification with the agency which issued them, Averill said.

A person should allow plenty of time to get the number. It takes 3 to 4 weeks to issue the number and deliver the card after all required evidence has been submitted.

A free leaflet, "Applying for a social security number," can be obtained at the Traverse City social security office. It tells what kinds of evidence can be used. The office is located at 1111 E. Front St. Traverse City and the telephone number is 616-946-8360.

Youth Golf Classic

Set for June 15-16

The 1978 Insurance Youth Golf Classic, sponsored by the Independent Insurance Agents of Northern Michigan, is scheduled for June 15th and 16th at the Petoskey-Bay View Country Club, Petoskey, Michigan. According to Bill Brower, the 18-hole local qualifying event, open to boys and girls who will not reach their 18th birthday before August 16, 1978, will be one of more than 400 similar tournaments to be held nationwide. The 1978 National Insurance Youth Golf Classic will be held August 11-15, at the Silver Lake Country Club, Orland Park, Illinois.

Winners in the Northern Michigan tournament will play in the 36-hole state qualifying round, scheduled for July 23-24 at Lake Michigan Hills, Benton Harbor, Michigan. The 60 low scorers in a field of 150 junior golfers, will play two days of

the 36-holes in the final round to determine the National Insurance Youth Classic champion.

The 60 finalists, paired off three to a team, will play some of the world's leading professional golfers of the regular PGA tour. Twenty internationally famous pros will compete in the tournament finals.

Entry deadline for the Northern Michigan tournament is June 5, 1978. Any boy or girl amateur golfer, who will not reach their 18th birthday before August 16, 1978, may obtain an official entry form from any Northern Michigan Independent Agent.

The National Classic, sponsored annually by Independent Insurance Agents through their National Association of Insurance Agents is part of a program to foster good sportsmanship and healthy competition among the nation's youth.

Keith Dressel Realty

Raises \$1,270.34 for M-D

"Help ERA Help Jerry's Kids" was the theme for the May 7 Electronic Realty Associates' area march for life.

According to Northern Michigan volunteer march for life coordinator William C. Cogswell, associate broker of the Keith Dressel Realty group, every ERA real estate professional in America freely marched door-to-door on May 7 to defeat muscular dystrophy and related neuromuscular diseases. Keith Dressel Realty's 5 offices in Gaylord, Grayling, Boyne City, East Jordan and Bellaire collected \$1,270.34 for the area's Greater Northern Michigan Volunteer Chapter unit cause.

"The excellent response from our neighbors," noted Cogswell, "was most heart-warming; and although our feet are still tired, we are all happy and honored to be able to serve this community-need project and to walk for those who can't."

Muscular dystrophy is a grouping of 35 types of muscle destroying diseases, all of which progressively weaken or destroy muscles. Its chief victims are usually children.

In 1977, some two-thousand plus dollars were expended in the area alone for needed orthopedic equipment. For '78, the ERA group will provide a wheelchair and a car-top life for an area family.

DNR Conducting Dead Deer Survey

In Northern Lower Peninsula

LANSING — The Department of Natural Resources is still conducting a dead deer survey in the northern Lower Peninsula, the first in over ten years.

The search will be used to help determine how many deer made it through this year's unusually severe winter and will be a factor in setting the quotas for hunter's choice and landowner's preference permits.

The dead deer survey is done on a stratified random sampling basis of the deer range. The DNR's Office of Surveys and Statistical Services in Lansing has used a computer to select sections and areas to be checked by wildlife biologists in the field.

Tom Prawdzik, DNR district wildlife biologist in Gladwin, says 116 randomly selected courses in his district must be surveyed to give an unbiased measure of the losses. Each course covers 32 acres and requires at least two miles of walking by a two or three-man team. Routes are followed with a hand compass and distances are measured by pacing.

At least one member of each team is a wildlife biologist. The remainder are other DNR personnel. Conservation officers, forest fire personnel, state foresters, fisheries biologists and state park employees all help.

The dead deer found are autopsied to determine the cause and approximate time of death. A specific cause of death is assigned only if there is conclusive evidence. Common causes of death are: starvation, shooting, dogs and accidents, but at times the cause is unknown.

Starvation characteristics include absence of fat under the skin, and red, soft bone

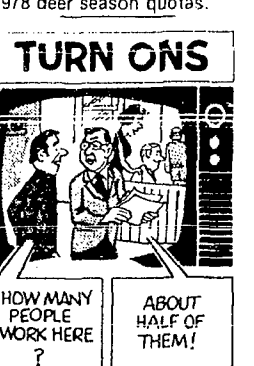

marrow in the large leg bones.

Deer killed by dogs have been a major problem this winter. DNR biologists have reported finding many dog-killed deer this winter and urged dog-owners to keep their dogs tied up. Deer become easy victims of dog packs when a crusty layer forms on top of deep snow. With their sharp hooves, deer sink into the snow while dogs can run on top.

Road-killed deer have also increased as warmer spring weather brings more activity in the state's deer population.

Along with the dead deer survey, other statistical information will be analyzed in Lansing. That information includes general deer population data based on deer that were alive last fall just before hunting season, a hunter survey of how many deer were taken during the deer hunting season, and statistics on highway deer kills from the State Police.

Results from the total statistics should be available in June, the DNR says. At that time, the department will analyze the information and then recommend to the Natural Resources Commission 1978 deer season quotas.

Potluck Supper At Frederic

The Frederic Township Community Association sponsored a potluck supper and raffle April 29th at the Frederic Sportsman's Hall.

The highlight of the evening was the drawing for the Fenwick Red and Reel, which was drawn by Curtis Statina, age 3, from Livonia, Mich., grand-nephew of Bill and Joan Moody. The lucky winner was Sandra Murphy, of Lansing, daughter of Mr. and Mrs. Robert Murphy of Grayling. Sandra was "very surprised, but very happy, as she did not know her father had ordered a ticket for her." The evening was enjoyed by the great passing dishes that were so graciously donated by our members and their families.

We also entertained several out of town guests: Mary Jane Eschelman, daughter Theresa, and son David from Lincoln Park; Mrs. Edna Hearst, and daughter Dana, and son Jeff from Flint; Mrs. Jane Statina, daughter-in-law Janet, and her grandson Curtis, from Livonia; and Mr. and Mrs. Paul Gorten and family from Mancelona. Plus several of our local families.

We would like to thank each and everyone of you that participated in the evening to make it a success.

Dinner committee: Leta Orlovski, Lucille Klein and Joan Moody. Sec.

Sellers Have Home Repair Warranty Under ERA's Home Sellers Protection

GAYLORD — When a person puts his house up for sale he usually puts most of his money toward the purchase of another home. If major repairs are needed on the one he is selling, he would be hard-pressed to pay for them and still buy his new home.

But thanks to the Home Sellers Protection (HSP) warranty offered by ERA Keith Dressel Realty, Old 27 South, major repair bills are taken care of and William C. Cogswell and Edward M. Wohlfelt, Associate Broker-Owners.

Botzenmayer New Staff

Member at Bear Archery

GRAYLING — The appointment of Arthur H. Botzenmayer as Material Control Director for Bear Archery, Subsidiary of Walter Kidde & Company, Inc., has been announced by Bear President Robert F. Kelly. In making the announcement, Kelly stated, "Materials Control is one of the more difficult jobs in any manufacturing concern. We feel that Art is the right man for the job and that he will be able to help us stay on schedule and reduce the unwanted expenses."

Prior to joining Bear, Botzenmayer was Director of Operations for Conimar Corporation in Ocala, Florida. He has a background of over thirteen years in plant management, having served as the Vice President of Manufacturing for R.A.F. Magnetics and the Plant Manager for Knomark, Incorporated; a part of Esquire Shoe Products.

A native of Queens, New York, Art is a Scoutmaster and a member of the United States Power Squadron. He has studied Business Management at New York University and Electronics at Massey Technical Institute. Botzenmayer is interested in receiving his private pilot's license and has been working towards his Florida Real Estate license at Central Florida Community College. Botzenmayer makes his home in Ocala, Florida. His wife Ann works for Martin Marretta and his son, Art, Jr., is attending Central Florida Community College.

La Leche League To Meet

If your family is awaiting the arrival of a new member, the Posconoma La Leche League meeting, "Baby Arrives, The Family and the Breastfed Baby," may interest you.

Informal discussion will center on how to manage these first few weeks with emphasis on the entire family as well as timely tips for the nursing mother and baby.

The meeting will be held on Thursday, June 1 at 7:30 p.m. at 10266 Mohawk Trail, Posconoma. League meetings are open to any interested woman; you need not be a member to attend meetings or to call for breastfeeding help.

Expectant mothers are encouraged to attend the series before the baby arrives. Nursing babies are always welcome. For further information, call 275-5431.

Bartos New Marketing V.P. for Bear

Steven Collini Earns Degree

Steven J. Collini, son of Mr. and Mrs. Charles F. Collini of Roscommon, is a candidate for an associate degree, majoring in natural resources, by biology.

He is a 1976 graduate of Roscommon High School, Roscommon.

Collini was on the Junior Varsity Basketball Team his first year and on the National Championship Orienteering Team for two years.

Following graduation he plans to continue at Lake Superior State College, majoring in political science, for a four year degree.

GRAYLING — Robert F. Kelly, President of Bear Archery, Subsidiary of Walter Kidde & Company, Inc., today announced that Ronald F. Bartos has joined the company as Vice President of Marketing. Kelly commented, "We are extremely pleased to have Ron Bartos working with us. As our sales increase and our company continues to grow we must work much harder within the market, forecasting trends, developing market plans and interrelating with manufacturing. Ron's management skills should be of great help to us."

Bartos comes to Bear Archery from the MacGregor Division of Brunswick Corporation, where he was Director of Sales. He has worked in various divisions of Brunswick for over seventeen years. Bartos holds a B.S. Degree in Business Administration from Bowling Green State University and recently completed an Advanced Marketing Management course at the Harvard School of Business.

A native of Garfield Hts., Ohio, Ron is very active in sports. He golfs, plays tennis, fishes and enjoys hunting upland game birds. Ron's wife Beverly is his tennis partner when she is not doing volunteer work at school. The Bartos have three children — Sandy, 18; Scott, 15 and Brett, 8.

Vacation Activities for Kids

by Merry Baldwin
Extension Home Economist
Everybody can use a summer vacation. For some parents, however, keeping the kids occupied for three months seems to be quite a chore.

Summer should be a time of renewal and experimentation. After nine months of studying, give the kids a break from school subjects and time to do a little dreaming.

There is a tendency to get so preoccupied that we forget to think about what we're doing and where we're going. Planning activities for every minute of the summer doesn't allow the kids to rely on their inner resources. Summer is the perfect time to let the kids assume some responsibilities by making some decisions about how to use their time.

As part of the family unit, they should be expected to help around the house. With the extra time the summer offers, they could work on painting or attic cleaning. Involving the kids in planning the work will get a better response than ordering them to do it. Don't hesitate to ask the kids what repairs they may have noticed need to be done — you may be surprised.

The family should discuss what it aims to pay for house work. Children should be responsible for some jobs without

pay, of course, such as keeping their room clean.

Many kids want to use the summer to earn some money outside of the home. Jobs depend on the community. Sources to check include bulletin boards, newspapers, neighbors. Schools and friends. Allow the kids to find their own jobs. Job hunting is a major part of the experience.

If the children do not want jobs, they should still have a project for which they can be responsible for the entire summer. A garden is one good idea.

Many communities provide summer recreation programs. If your children are interested, they may keep them busy. Summer camp is also a possibility, especially if the family's attitude is, "We decided that camp would be a good idea and this is the one the kids like," and not, "Let's send the kids to camp."

Summer is also a good time to renew family ties. Most kids are interested in their roots. Sending them to visit relatives helps weave them away from the immediate family; it also gives them a chance to do more talking than if their parents were along.

Some other suggestions you can offer the kids are:

1. Volunteer work, experience can be more valuable than money.
 2. Get in touch with local concerns and see what can be done about them.
 3. Use the library.
 4. Learn new skills which might be useful later.
 5. Get to know a senior citizen. The older person will appreciate the company and can pass on skills and information.
- The key word for a useful summer is experimentation. If successful, the kids won't be at a loss for words in September when it's time to write the paper on, "How I Spent My Summer Vacation."

Lansing Report

Representative Ralph Ostling

Last week several Republican measures were introduced in the House which are designed to make state government more accountable to the people.

One proposal would create a special joint committee to investigate alleged improprieties involving legislators and lobbyists, a legislative package would effectively open state government to public scrutiny. The package consists of two bills and a resolution for a constitutional amendment, which would not only root out any illicit activities that may go on in government, but would also control the size of bureaucracy.

The public deserves the most open government we as legislators can provide, and additional statutory strength is necessary if we hope to accomplish this.

The proposed constitutional amendment, which must be approved by the legislature and by a vote of the people, would increase the scope of the office of auditor general so it is similar to the federal General Accounting Office. It would be responsible for investigating the efficiency of state departments and would specifically search out any questionable and illegal activities that relate to state funds.

One bill in the package would prohibit the bureaucracy, which has expanded tremendously, from growing at a greater rate than the percentage of population growth in the state. If for some reason it should, the number of state employees would be reduced by attrition until the requirements specified in the bill are met.

The second bill would open to public scrutiny all state employees' wages and fringe benefits so the residents of Michigan can know exactly how many people the state employs, at what salary and why.

Public accountability is an important ingredient in good government, and I think if these measures are approved by the legislature we can ensure better government in Michigan.
